To,
The Dy Commr
Mysore Dist.

Sir,

With reference to your Rubkari No. 85 Dt 13th March 1899 requesting orders as to the persons from whom a Mutchalika should be taken in respect of the lease of the Kunnirkatte land assigned as Inam to the Temples at Bannur and Somanathpur, I am to draw your attention to the orders conveyed in this office Rubkari No. 1509 Dated 17th June 1896 observing that the land might be given over to the possession of the lessees Devaiah alias

Battiah and Sarangapani Pillai after obtaining from them,

(a) a joint Muttchalika written out on proper stamp paper as per terms of the draft therewith sent and duly registered, and

(b) a sum of Rs 200 - equivalent to the estimated value of a year's Gutta to be held as security for the regular payment of the Gutta amount year by year;

and to enquire why in spite of the foregoing order Battiah and Sarangapani Pillai were allowed to enter into actual possession of the land

and cultivate it, before they executed the required ~~[illegible]~~ Muchalika and paid up in full the Security amount of Rs 200.

2. A perusal of the records betrays grave irregularities in respect of the foregoing and many other points. I am therefore to request that you will be good enough to go into the whole case yourself personally and submit a detailed report (in English) for the orders of Govt. giving therein a clear history of the whole case and full information

on the following points:—

(1) On what date was the land given over for cultivation and to whom — whether to Battiah, Sarangapani Pillai or to both jointly?

(2) Why were not the required Mutchalika and the Cash Security of Rs 200- taken from Battiah and Sarangapani Pillai before cultivation of the land was actually permitted?

(3) How much Gutta has been recovered in cash and kind? by whom have the payments been made? where is the money now held? and what further amount is due to the temple up to date?

(4) The records make
reference

reference to a Civil Suit instituted by Sreenivasa Raghavachar Jodidar of Ekkalagere in respect of the lease of the land in question, under what circumstances was the Suit instituted and with what result?

3. As the question demands early attention and disposal I am to request that you will expedite the submission of the report called for above

SIR,

With reference to your letter No 1082 dated 19th March 1899 calling for a report regarding the lease of the Kumeri Katte land assigned as Inam to the temples at Bannur and Somanathapur, T. Narsipur Taluk, have the honor to state as follows:—

Your Rookhari No 1509 dated 17th June 1896 which accompanied

accompanied the approved draft of the Muchalika directed that the land might be given over to the possession of the lessees Ballah and Sarangapani Pillay after obtaining from them a joint Mucha-lika as per draft and the deposit of Rs 200/ but a careful perusal of the records shews that the land had, under the authority of Roob-kari No 861 dated 29th January 1896, been given possession of to Ballah and Sarangapani Pillay by the Amildar before the receipt of Roobkari No 1509 under reference, and the formal Sagunali chit was issued on the 25th June,

that

that is after receipt of the
latter Roobkari. From the date
of issue of the Sagwali chit the
lessees have been required to
appear before the Taluk Cutcherry
to execute the Muchalika but
to no effect. On the pretext that
a portion of the leased land had
been encroached upon by the holders
of adjoining lands, and on the
ground of absence from Taluk
of one or the other of the lessees
after the whole extent of the leased
land was put in their possession
in July 1897 they omitted Comply-
-ing with the requisition of the

Amildar

Amildar.

3- Adverting to the points referred to in para 2 of the letter under reply it will be observed that

1. the land was given over for cultivation to Balliah and Sarangapani Pillay jointly under Sagunali Chit dated 25th June 1896.

ii Out of the fixed amount of security viz Rs 200/- only Rs 160/ was first recovered from Balliah and subsequently the balance of Rs 40/-. also. The full amount of security Rs 200/ is held in deposit the execution of the Muchalika

has been delayed on account of the non-attendance of the parties in spite of several notices served on them. Perhaps the delay could have been avoided had the Amildar not given over the land to the possession of the lessees before obtaining the Mucha Ika from them in pursuance of the order No 112 dated 1st/3rd Feb 1896 from this office

iii 29 Kandies and 15 Kolagas of paddy were received as Gutta for Durmukhi 1896-97, the first year of lease, the balance 5 Kandies and 5 Kolagas having been with-held by the lessees on the

ground that the full extent of land had not been put in their possession that year.

For the two subsequent years the full Gutta of 35 Kandies has been recovered at the close of each year, so that 99 Kandies and 15 Kolagas were received in all for the three years the land has been leased out.

Out of the said 99 Kandies and 15 Kolagas received as Gutta

7 Kandies for Durumkhi

12 Kandies for Kevilamb

and 9 Kandies for Vilandi

were utilized for the Pradhana of the temple and the remaining

quantity 71 Kandies and 15 Kalagis were sold and the proceeds amounting in all to Rs 372-0-0 have been held in the Savings Bank deposit at the credit of the temple.

IV Copy of judgment passed by the Sub Judge presented by Ba Than before the Amildar which explains the circumstances of the case and the findings of the judge is herewith submitted.

4- In conclusion I am constrained to state that no dispensation whatsoever would have existed if the Government had

had leased out the lands from
year to year instead of on
kayem-gutta tenure.

I have the honor to be
Sir
Your most obedient
Servant.

Sir,

Adverting to your letter no. 744- Muz 7 98-93 dated the 24th October 1902 calling for further particulars regarding the land assigned as inam to the temples at Bannur and Somanathapur in the T Narsipur Taluk, I have the honor to state that Timmanna is reported to have not appeared before the Taluk Amildar and executed the mutchalika in spite of 4 notices served on him (Vide papers nos. 202, 204, 207 and 209).

2 It is reported that the gutta for the year Plava and Subhakrith (1903-04) has been recovered and after deducting 12 handies of paddy due to the Sri Ramadevaru temple as mamool, the remaining paddy has been sold and the sale proceeds deposited in the Savings Bank

2 Account.

3 The gutta for the year 1904-05 is reported by the Amildar as having not yet been recovered and that the matter is under correspondence.

4. The Amildar reports that the lessee contends that only 4 ac - 35 gr out of the land sanctioned in Government Proceedings no: 1222-4 / Mus Z 98-93 dated 17th May 1894 (Vide Serial Nos: 120 and 128) have been put in his possession and that it is inconvenient for him to pay the full gutta until the remaining 36 guntas are also put in his possession.

5 The Bank Inspector who was deputed by the Amildar to measure the land states that only 28 guntas have to be given to the lessee. In view that the land might be measured accurately the Amildar requests that a mojindar be deputed for the purpose.
